

Annual Road Captain Refresher Course Has Gone Virtual

This year's Road Captain Refresher Course will be on Zoom after the Event Planning Meeting on January 16. The time for the Refresher Course will be at 11:00 and will last about 40 minutes. I'll be sending out the link to all Road Captains.

If you can't make the live virtual session, a link to a recording of the Course will be available under the Road Captain tab on the Fairfax HOG website.

The Refresher Course is just one of the requirements for maintaining the Road Captain certification. The two other requirements are (1) being in good standing in the Fairfax HOG chapter and (2) Leading or Tailing a scheduled Fairfax HOG ride.
