

2021 FHOG IRON HORSE ROUNDUP

Greetings Fairfax HOG members!

Join us for our 3rd Iron Horse Roundup (IHR), June 16-20 in the gorgeous Smoky Mountains of North Carolina! Home base will be at the Ironhorse Motorcycle Lodge & Resort in Robbinsville, NC. The twists and turns of mountain roads in the Blue Ridge Mountains makes this a must do FHOG Chapter event!

There are plenty of rides with twisties and breathtaking views that await us along the Cherohala Skyway, Smoky Mountains Loop, Thunder Road, Moonshiner28, and the Blue Ridge Parkway...too many to list here, so you get the point. Let's not forget the infamous Tail of the Dragon, with 318 curves in 11 miles and the Back of the Dragon that offers a less "sporty" ride with 438 curves over 32 miles.

This year, the IHR event is FREE

Yep, that's right, there is no fee to attend this event, although registration is required by sending an email that includes all attendees to IronHorse@fairfaxhog.com.

Make lodging reservations by calling: 828-479-3864

There's a variety of meal options available such as the freedom to BBQ/cook onsite, eat breakfast or dinner at the Chuck Wagon Grill (pre-order dinner each A.M. for \$10-15), or patronize local restaurants. Plan to bring your own food, munchies, and beverages or buy at the local grocery store.

FHOG members have reserved almost the entire facility, so that means no competition for the onsite media and entertainment rooms! Available resort amenities include ice machines, pool and card tables, giant screen TV, and outdoor fire pits. Detailed resort information at: www.ironhorsenc.com

IMPORTANT NOTE: the resort is in a dry county so plan accordingly to BYOB.

Staying at a neighboring resort or hotel? No worries! There are no restrictions to stop by for evening camaraderie and dinner too.

Stay tuned for updates via email blasts, FHOG Facebook site, FHOG Newsletter, and at Chapter meetings. FAQs are posted on the FHOG website or send an email to IronHorse@fairfaxhog.com.

We look forward to seeing you in The Land of the Sky! SADDLE UP, LET'S RIDE!
